## Samaritan House Community Ministries – Simcoe County

Samaritan House walks with people through poverty, abuse, mental health and learning challenges. Serving more than 1,500 people each year, Samaritan House operates a Drop-In where families get the care they need, and receive clothing and household items. Samaritan House runs a popular Children's Literacy Program, with dedicated tutors at two schools in Barrie and Angus. Its Resource Centre provides a computer training and job search centre that helps adults find work. For women and children recovering from abuse, Samaritan House offers Transitional Safe Housing and programs, providing them with accommodation for one year to help restart their lives.
