## Downsview Youth Covenant

Identified as one of 13 priority neighbourhoods in Toronto, Downsview is a densely populated, diverse and low income community. Nestled within it is the Downsview Youth Covenant. When it began in 1998, it was one of the first youth programs in the area.

Today it has blossomed into a safe place where children and youth aged 6-24 can meet, take part in recreational activities and get academic support. The Downsview Youth Covenant provides full family support, with after school activities, guidance and role modelling that parents can trust.
