## The Primate's World Relief and Development Fund

PWRDF is the official relief and development agency of the Anglican Church of Canada. Created in 1959 in the wake of Canadian Anglicans' response to the Springhill Mining Disaster, today it supports close to 100 partnerships in 25 countries funding faith-based and secular partners.

PWRDF is involved in food security, sustainable agriculture, gender and economic empowerment, health care, including HIV and AIDS, and capacity building. Refugee protection, peace building, human rights advocacy and relief and rehabilitation in times of emergency are also part of the PWRDF program. All partnerships are based on shared values, mutual accountability, transparency and solidarity. PWRDF strives

to be part of the outreach ministry of every Canadian Anglican parish through education and awareness programs and is supported by a strong volunteer network of Anglicans in Canada. Through all of its programs and partnerships, PWRDF responds to God's call for peace, justice and the dignity of every human being.
