We have audited the accompanying financial statements of **The Consolidated Trust Fund of the Incorporated Synod of the Diocese of Toronto**, which comprise the statement of net assets as at December 31, 2010, the statements of earnings and changes in net assets for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Diocese's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Diocese's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of **The Consolidated Trust Fund of the Incorporated Synod of the Diocese of Toronto** as at December 31, 2010, and the results of its operations and change in net assets for the year then ended in accordance with Canadian generally accepted accounting principles.

## **Notes to the Financial Statements**

December 31, 2010

---

### **1. Purpose**

The Consolidated Trust Fund (the "Fund") was created by statute (54 Victoria, C101) on May 4, 1891 to provide for the management and investment of the trust funds under the control of Synod as one undivided fund. By statute (1936) parishes and other church related bodies were permitted to invest in the Fund. The Incorporated Synod of the Diocese of Toronto and its parishes are registered charities under the Income Tax Act and are exempt from income taxes under Section 149 of the Act.

---

### **2. Summary of significant accounting policies**

#### **Unit valuation**

The Fund is a unitized fund which is valued quarterly. Deposits and withdrawals are valued at the unit value as at the end of the quarter in which they occur.

#### **Distribution**

The aggregate income and capital distribution for the year was at the rate of \$6.12 per unit, being 4% of the unit value as at March 31, 2009. The Investment Committee of the Diocese reviews this rate annually, to ensure that it is reasonable relative to the total return of the fund and the annual rate of inflation.

The dividend is allocated to unitholders quarterly, pro-rata to the number of units held at the beginning of the quarter.

#### **Translation of foreign currencies**

Investments in foreign currencies are translated into Canadian dollars at the year-end rate of exchange. Translation gains and losses are included in earnings.

#### **Revenue and expense recognition**

Revenue and expenses are recorded on the accrual basis.

#### **Investments**

Investments are stated at fair value which has been determined by reference to last bid price of these investments.

#### **Use of estimates**

In preparing the Fund's financial statements, management is required to make estimates and assumptions that affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

### 3. Administration expenses – Diocese

The Incorporated Synod of the Diocese of Toronto provides accounting services and administrative oversight to the Consolidated Trust Fund and charges these costs to the Fund on a cost recovery basis. The amount charged is set as a flat amount and forms part of the Diocese's budget approved by Synod.

---

### 4. Investments

Investments are carried at fair value which results in capital gains or losses being allocated to unitholders.

Short term deposits	\$ 1,364,503	1	\$ 1,105,125	1

- Provinces of Canada	11,919,748	12	11,735,513	12

	<u>\$ 99,614,082</u>	<u>100</u>	<u>\$ 100,101,145</u>	<u>100</u>

---

### 5. Financial instruments

#### Interest rate risk

The Fund's earnings are exposed to the interest rate risk that arises from fluctuations in interest rates and the degree of volatility of these rates. The Fund does not use derivative instruments to alter its exposure to interest rate risk.

#### Fair value

The Fund's estimate of the fair value of interest receivable, dividend payable and accruals and amounts due to Synod Operating Fund approximates the carrying value due to the relatively short term nature of the instruments.
