## **270° Ministry Review - Parishioner Feedback Form**

As you may know, the Area Bishop carries out a cyclical process of review with the priests in his area, feeding into their ongoing journey of growth. We are inviting feedback from parishioners as part of this ministry review.

Would you please share your perspective on the work of your priest?

In asking you to discuss different aspects of your priest's ministry, there is no intention to be punitive. The aim is to help identify areas of strength that are to be encouraged and areas that need some attention to ensure the Incumbent's continued growth towards a richer and more fruitful ministry.

**Please complete and return this form to my office no later than May 17, 2016.**

If you can, please complete the form electronically as this makes it much easier to compile the forms. But you may also print out the form to complete it by hand and send this to us.
