Heaven on Earth

The youth of Toronto joined together for their first **Night of Worship (N.O.W.)** event on Friday, March 22nd and we were there to witness this amazing God moment in our area. Over 150 youths and leaders all came together from churches across the Greater Toronto Area to celebrate Jesus Christ in praise and worship. This event can not be a one night stand, so stay tuned to find out when the Night of Worship will return.

Let's get as many youth groups out to be apart of this taste of Heaven on Earth!

In Perspective—Watch Your Mouth!

Using your mouth to speak is something you do every day, from the moment you wake up until the moment you go to bed. But how many words that you have spoken today actually brought life or caused death? The Bible reminds us that life and death are in the power of the tongue—so watch your mouth. Your words have more power than you know. (*Proverbs 18:21*)
