## PROGRESS REPORT Fall 2015

## Your Dollars at Work

Dear Sisters and Brothers  
in Christ,

Much is being accomplished in parish communities across the diocese thanks to the generosity of donors like you. Vibrant ministry is being re-imagined, re-engaged and realized in our parishes and beyond our diocese. Once again it is my pleasure to share with you some of the ways in which your support of Our Faith – Our Hope is making a difference.

Yours faithfully,

The Most Reverend Colin R. Johnson  
Archbishop of Toronto

Since our first allocations were made in early 2013, more parishes have been awarded grants in the area of Communicating in a Wireless World than any other. Nearly \$500,000 has been awarded to 30 projects. These creative efforts allow parishes to upgrade or create websites, enhance multimedia communications to make worship services more accessible and diverse, install new audio systems and develop mobile apps to complement faith formation outside of Sunday worship.

## Adaptive Reuse

St. Paul, Minden received a grant to construct an addition to their existing Parish Hall in order to better, and more safely, accommodate current use, while also expanding their program and ministry offerings with a variety of new community initiatives.

### St. George Memorial, Oshawa

\$35,000 was awarded to undertake the installation of an exterior accessibility ramp and modify an existing internal ramp. Further, the parish is hoping to replace existing entrance doors that have begun to rot and are not energy-efficient.

## Enabling Parishes to Become Multi-Staffed

St. Mary Magdalene received a grant of \$75,000 to hire a part-time associate priest responsible for children and youth work. The parish is finding new ways to connect with its youngest members, thanks to the leadership of the Rev. Jennifer Schick.

## Pioneering Ministry

### St. Paul, L'Amoreaux

\$60,000 to establish a chapel ministry at Silversprings Park, a large, low-income rental complex located at Finch and Birchmount in Scarborough. The Chapel will offer weekly services and pastoral care, a satellite office for St. Paul's L'Amoreaux Centre, Christian study and service, and enhance the development of community support programs.
