# Insurance for Facility Rentals and One-time Events

---

## Insurance requirement?

- Claimants can opt for all damages awarded to be paid by one negligent party among multiple negligent parties.
- Protect Diocese program loss costs and premiums by making facility users policy respond on behalf of church first.

Individuals who might otherwise have problems acquiring insurance on behalf of a group may purchase coverage at [www.anglican-user.aon.ca](http://www.anglican-user.aon.ca)

When is insurance not a requirement?
