

York-Scarborough Area Day Event

Do you have questions or concerns around Medical Assistance in Dying, the law & your faith? Join us in person, or online at a satellite location or at home, to learn more about it, as well as have the opportunity to talk with others and panelists about it.

Saturday, May 4 at St. Andrew, Scarborough
1-4 p.m.
2333 Victoria Park Ave (just south of the 401)
Light refreshments will be available

Our panelists for this event will be:

Dr. Karen Cronin, a practising doctor and educator
Jan Goddard, a practising lawyer

**The Rev. Canon Doug Graydon, Anglican priest & Co-ordinator
of Chaplaincy Services for the Diocese**

The Rev. Dr. Eric Beresford, Anglican priest and ethicist

This event will be streamed live on the web. Most Deaneries will have a parish that will live stream it to their location so smaller groups can meet closer to home and experience the event. Opportunities will be available to submit questions at the end of the group discussion time, even from the satellite locations.
