# Don't Forget ...

## Things to consider and include

- an explicit welcome for spiritual seekers and skeptics
- make it easy for people to participate
- encourage feedback
- ensure sustainability
- don't forget the digital divide
- have a stewardship opportunity
- be mindful of attention span
- preaching has never been so important
- give a way for people to get connected afterwards
- plant seeds about getting more involved after pandemic
- share how children and youth are being served
- think through license issues
- be yourself...be the parish you actually are....seriously.
