

York-Credit Valley Area Council: Area Grant Feedback Report

For all projects receiving Area funding, York-Credit Valley Area Council requires a written report within 12 months of having received the grant.

Grant money is to be used only for the purposes for which it was granted. Any monies not spent within 12 months of receipt of the grant should be returned to Area Council for re-allocation for other grants. A written request to extend this period will be considered by Area Council.

Area Council uses grant feedback to determine directions for grant funding categories and to advise and inspire other parishes by sharing grant success stories. It also provides accountability for audit purposes.

One of the conditions of future grants to an individual parish is receipt of a feedback report.
