

## **POSITION AVAILABLE - WORSHIP MUSIC LEADER**

### **“A Place Called Love”**

St Andrew Anglican Church is a small but vibrant church in the heart of downtown Alliston (New Tecumseth), Ontario.

We are currently seeking a Worship Music Leader to develop and lead the music ministry, helping us to become more and more that beacon on the hill.

The primary role is to accompany the congregational singing at the 10 am Sunday morning Service, but there will also be opportunities to organize and lead musical performances for special events.

The Worship Leader should be knowledgeable of, or willing to learn, contemporary Christian music, as well as, traditional Anglican music. Applicants should be accomplished musicians, with skills at the keyboard and in choir direction, also having the ability to lead the singing and sing solos.

The building has excellent acoustics and is equipped with a high end Kawai Digital Stage piano which has organ and orchestral sounds and a professional grade digital board and PA system.

As a leader of praise and worship, the Worship Music Leader makes prayer and devotion an important part of their life and is somebody who enjoys people, having fun, working in a team cultivating learning and growth for both older and younger individuals.

This paid position is a great opportunity for an enthusiastic, joyful and committed Christian to find ways to help us fill this architectural jewel of a building with songs of praise and worship to our Lord God.
